

Project Proposal

TOWARDS 2020. ADRIATIC SEA, IONIAN SEA AND THE "AICHI TARGETS"

2-4 June 2014, Pineto, MPA Torre del Cerrano

The project will be discussed and advised during a specific round table session on 4th June 2014.

AdriaPAN members will evaluate which are the projects to be candidate to the next calls.

ALL FIELDS ARE REQUIRED!

PROJECT TITLE	SEAside SEAsons
PROGRAMME	CREATIVE EUROPE (2014-2020) - Culture Sub-programme EAC/S16/2013 - Category 1 – Smaller scale cooperation projects
MISSION	Meeting of land and sea: stories, images and sounds between the land and water in the Adriatic-Ionian sea and in particular the Marine Protected Areas as protagonists of a new relationship between the sea and man.
OBJECTIVES	<p>The project will aim to:</p> <ul style="list-style-type: none">- exalt the sea and coastal environment, traditional human activities and those directed to the sea protection with specific regards to environmental sustainability and conservation of species endangered with extinction;- promote the natural beauties of the marine protected areas involved in the project through the changing of seasons, and value the territory and its resources with particular attention to innovative projects related to trash management and fishing methods more sustainable and less affecting endangered species;- promote the idea of a shared protection of the sea for educational, comparative and cooperative purposes. <p>The project will be interdisciplinary-oriented: through the combination of different forms of art (poetry, photography, audiovisual, music, literature) a series of events, workshops, exhibitions, will be held in order to "interconnect" a group of Adriatic-Ionian marine protected areas and achieve the predetermined goals.</p>
